## The Black Panther

The Parish House residents love their new black Chrysler Pacifica van, which they have dubbed "The Black Panther". The van was purchased and presented to them in March 2019 by the Local Solutions Board, with the support of the Hattie A. and Fred C. Lynam Trust, the Witham Family Hotels Charitable Fund, the MDI community and beyond. The van is equipped with a wheelchair lift and is being used to transport residents to and from appointments, jobs, day programs, special activities and events.

# The Parish House residents enjoy their 2nd year with friends, family, adventure and engagement in our community.

"I like that are all friends, family... like a little community."

"I like that I have my friends. I like that I have my own apartment."

"I love the Parish House. We do all kinds of fun activities like going to the Blue Hill Fair. This is the Parish House 2nd birthday party."

"I like to be independent."

"I love the grill."
